

Self-introduction

Area: Dong Giang (Quang Nam)

Context and Issue: Due to limited access to education and poverty, ethnic minority children from 11-15 in Dong Giang are reported to be victims of opportunity gap, forced child labour, child marriage, and human trafficking.

Program: 10-day summer camp for 30 ethnic minority children (11-15) in Dong Giang.

Project Objectives

Children

- Create a safe space in which children are able to share about their dreams, future, and struggles
- Introduce concept of local-global citizens

A playground

Mentors

Build a sustainable network of children-mentor

Community

Incorporate cultural studies to help children discover the cultural and economic values of their community

IMPACTS OF COVID-19

Before COVID-19

- National mentors and organizing members are voluntarily recruited.
- No-fee program for children

During COVID-19

- They reconsider their decision due to economic difficulties. However, we are unable to cover fees.
- Small funding as a result of limited sponsorship

→ Consider canceling the program

Number of mentors: 8

Number of organizing members: 12

Number of children: 30

Expense	Cost	Unit	Quantity	Cost per day	Number of days	Total
Breakfast	2\$		50	100\$	10	1000\$
Lunch	3\$		50	150\$	10	1500\$
Dinner	3\$		50	150\$	10	1500\$
Accommodation	4\$		50	200\$	10	2000\$
Transportation for Field Trip	150\$		2	300\$		600\$
Total						6600\$

(Budget plan of transportation fee, room and board in 10 days)

COV-AID Student Engagement Award would help us to proceed this year's program by alleviating the accommodation fee and transportation for field trips.
